Welcome to TLC Primary Care

Our medical centre is dedicated to providing you and your family with personalised, professional, quality healthcare across a wide range of medical and allied health services. We have a team of dedicated and friendly staff who will be pleased to assist you with your healthcare needs. Our purpose built facilities enable our team to provide you with quality care in modern and comfortable surroundings.

Opening hours

Our medical centre is open from 9:00am to 5:00pm Monday to Friday. Appointments are required to see our medical professionals; we cannot accommodate walk-ins.

If you require medical care when our centre is closed please call the National Home Doctor Service on **13 74 25**.

Billing

TLC Primary Care is a bulk billing medical centre so we will bill Medicare directly for your medical or allied health service. In order to bulk bill Medicare directly we require you to present a valid Medicare Card at each appointment.

If you do not hold a current Medicare Card, consultation fees will be charged at the discretion of your treating general practitioner.

If you hold a DVA Card, Centrelink Card or Pensioner Card please bring it with you to each appointment.

There may be additional fees for some procedures and consumables such as plaster and dressings.

Our policy is that payments are to be made on the day of the consultation. Accepted payment methods include credit card and EFTPOS.

A copy of our fee structure is available at reception.

Appointments

Appointments are required to see our medical professionals; to make an appointment please call **03 8779 2600** during opening hours.

If you require after hours assistance please call the National Home Doctor Service on **13 74 25**.

Our general practitioners are available for 15 minute appointments to cover a single medical complaint. If you wish to discuss several medical conditions, or the matter is urgent, please advise our receptionist when making your booking as you may require a longer appointment.

Please also advise the receptionist if you have received a letter from your general practitioner or nurse and the contents of the letter; they will then allocate an appropriate appointment.

From time to time you may be given some forms to complete or information about our medical centre. If you need help with any of the written information that we provide to you, please ask the person at reception who will be happy to assist.

Cancellations

It is important that you let us know as soon as you are aware that you cannot attend your appointment. There may be other patients waiting for an urgent appointment.

Emergencies

In the case of an EMERGENCY, patients should dial **000** for an ambulance.

Home visits

Home visits are available to regular patients during surgery hours within the local area. These visits should be organised 1-2 days in advance and will require the approval of your general

practitioner. Additional charges may apply to home visits.

Prescriptions & medication

Repeat prescriptions cannot be provided without a review of your condition. Drugs of addiction are not kept on our premises.

Telephone calls

If you need to speak to a general practitioner or nurse about an urgent matter medical problem, please explain

this clearly to the receptionist. If your general practitioner or nurse is not immediately available the call may be transferred to another member of our team who is able to assist you.

Test results

You will be required to see your general practitioner to receive your test results. Our staff are not permitted to give test results over the telephone.

Care for non-English speaking patients

If you do not speak English you are encouraged to request access to a telephone interpreter service (TIS) during your appointment. This service is provided free of charge and can be arranged by our receptionist.

Patient rights & responsibilities

TLC Primary Care believes that patients should be treated with respect, dignity and courtesy.

TLC Primary Care believes that patients have the right to:

- considerate and respectful support and service of the highest standard
- adequate information to enable them to make an informed choice about participation in services or programs
- self determination, that is, the right to make their own decisions and to work out their own problems
- expect that information recorded by TLC Primary Care about them will be handled in accordance with TLC Primary Care's policies and procedures
- access information contained in their clinical record file, except where this is expressly prohibited by law from being disclosed

- an appropriate level of support and assistance when being referred to another service and/or exiting a TLC Primary Care service or program
- voice their concerns, grievances and complaints about the support and service delivery they are receiving

TLC Primary Care believes that clients have the responsibility to:

- respect the rights, opinions and needs of others involved in TLC Primary Care services and programs
- accept the consequences of their own informed decisions

Privacy & confidentiality

SMS reminders

You will be sent an SMS reminding you of the date and time of your appointment the day before and the morning of your appointment. Please inform us if you wish to decline this service.
